When: Monday, April 19th, 2021 - 12:30 pm

Where: Zoom Event

NOTE: All PHS students who choose to participate in the following event should complete this form and return it to the front office. Participation in this event is voluntary and sponsored by the Launch Pad Teen Center. Students who return this completed form will be excused from periods 5, 6, and 7 on April 19th.

On Monday, April 19th, 12:30 pm, join The Launch Pad Teen Center's Teen Advisory Council for Better Together: a teen-organized community event. We will navigate the critical conversation of division, inclusion, and discrimination in a way that brings us together instead of pushing us apart. Teens, teachers, community members: all are welcome to attend.

Better Together is focused on education, empathy, and respect. This event is a call to action to have civil discourse and encourage respect for differences. The event will have Eric Bailey, a professional facilitator, guide the conversation. His work is based on "leadership and communication methodology based in brain science and psychology." Mr. Bailey's presentation will be interactive and informative for both teen and adult audiences. After learning about the science of communication, he will open up "breakout" groups on Zoom, each with a trained facilitator, to apply what the audience learns to local issues. Students and adults alike will share, listen, and find solutions to help make Prescott everybody's hometown. Through Better Together, we hope to open minds, promote inclusion, and create a sense of understanding and empathy.
