

Welcome to 1st Grade

Please note that the in-person supplies might also be needed for remote learning at home. We expect that some supplies will be traveling back and forth from home and school in a pencil box or pencil case if we move to a hybrid or in person model.

Please label all items with the student's first and last name.

Essential Supplies for both In-Person and Remote Learning	Possible Donations *We understand some of these supplies are difficult to find. While we would like to have these, they are not required.
