

Lyon & PR Student Supply Program

IS BACK FOR 2019-20

No Lists + No Kits + No Store = No Hassle

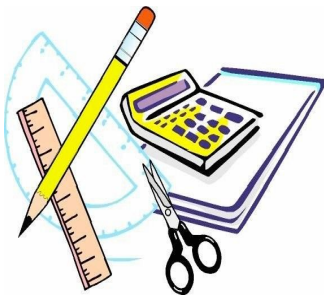

Just Pay Now and Save...

K-2nd Grade - \$50

3rd Grade - \$60

4th & 5th Grade - \$85

Supply costs increase \$10 after June 6th

HOW DOES THE PROGRAM WORK

No more purchasing school supplies from a confusing supply list or buying pre-packaged kits. Simply pay a single fee and your child's classroom supplies are covered for the entire school year.

FREQUENTLY ASKED QUESTIONS

Am I purchasing a kit? No. Classroom teachers are given a budget to purchase supplies for their entire classroom for the year. Teachers order in bulk, as needed individually or as a team.

Is this a fundraiser? No. All funds collected are only used to purchase classroom supplies.

When are payments due? To ensure the success of the program we are asking families to submit **payment by June 6th**. This will begin to fund the program and allow teachers to order the needed supplies in August to prepare for the first day of school.

Does this cover all school supply costs for the school year? Yes. All communal classroom supplies are covered. **Note:** Teachers may request specific items for classroom based projects (for example a classroom Valentine Party)

What is not included? At Home Items: backpack, lunch bag, change of clothing and shoes for gym.

Are other schools running similar supply programs? Yes. Many elementary schools have eliminated supply lists and kits and they have graduated to fee based programs.

How is this a cost reducing approach? Due to the success of the pilot year of the program - we were able to lower costs \$5 for the 2019-20 school year! Additionally, Schools and PTA's do not pay sales tax, receive better pricing with bulk purchasing and secure free shipping by using a single provider. Renewable supplies like scissors and rulers stay in the classroom and reduce the need to reorder annually. Supplies stay in the classroom which is more efficient and is less wasteful.

Is the amount the same for every student? No. Cost is dependent on grade level and students who qualify for free or reduced lunch will receive a reduced rate. Families who take advantage of the Early Bird pricing by paying by June 6th will save \$10 per student. See attached order form.

Can I pay the program fee at registration? No. At this time the program will be managed by the Lyon/PR PTA.

If my student does not start at Lyon or Pleasant Ridge next year can I get a refund? Yes. The Lyon/PR PTA will issue you a refund.

What can I do to help? In one word, participate. It's that simple. Buy-in early so that teachers have the funds to order before students return in August.

WHAT IS THE GOAL OF THE PROGRAM

To provide the same, high quality supplies, on the first day of school and throughout the school year for 100% of our students.

The advantages to a bulk purchasing approach over Kits and Lists:

- A substantial cost savings.
- Teachers obtain the exact brands and quantities needed on or before the first day of school.
- Less individual packaging from kits and individual shopping makes for a greener school.
- All students have the same, high quality supplies.
- No shopping or running from store to store for families.
- Reusing renewable supplies from year to year lowers costs.
