Board of Education

May 22, 2024

AWLS Stakeholders,

In light of the announcement of our Superintendent Dr. Fritz's resignation, we would like to acknowledge and thank Dr. Fritz for his leadership that has helped shape and progress AW schools during his 20+ year tenure in the District.

Our schools and students have grown and prospered through many challenges over the years and we are committed to continuing this path of perseverance and success into the future. We are grateful for Dr. Fritz's leadership and wish him all the best as he begins this new chapter in his professional life.

The Board will be meeting to discuss the next steps for our District and its continued success. We will work to ensure a smooth transition of leadership, as well as intentionally and accurately keep stakeholders informed as we go.

We take much pride in our mission to raise up young people who are "*empowered to be future ready*" and are so grateful to have an amazing team of administrators, teachers and staff that are making that vision a reality. Go Generals!

Sincerely,

The AW Board of Education
