

SPOTLIGHTING OUR GRITTY WATERVILLE FAMILY!

"Grit is passion and perseverance for very long-term goals. Grit is having stamina. Grit is sticking with your future, day-in, day-out. Not just for the week, not just for the month, but for years. And working really hard to make that future a reality. Grit is living life like it's a marathon, not a sprint." - Dr. Angela Lee Duckworth

Do you know a student at Waterville Primary that exemplifies this quote? Can you think of a student that has committed him/herself to something he/she is passionately trying to improve at? We are recognizing students that have been practicing to improve their skills at something that is difficult and challenging for them-and consistently practicing for at least 3 months or longer. We need your help to tell us about the specific passion/interest this student has and describe it below. Please complete the form below and return it to the Waterville Primary Office. Our gritty Waterville students can serve as role models for others and inspire them to strive for growth and progress!

Name of Gritty Person:

Gritty Interest/Passion:

How often/long is this
interest/challenge practiced
each week?:

What has this challenge taught
our gritty student?:

Picture of Student Practicing his/her Challenge:

"Don't judge me for how many times I fail but for how many times I get back up."
Nelson Mandela
