Burgess Elementary School

April 10, 2024

Hello Burgess Families,

The Burgess Cafeteria is excited to announce that starting **Tuesday, April 23, 2024**, a variety of breakfast items will be offered to all students before their school day begins. Your child will be able to eat the free breakfast provided for them in the cafeteria, then go to their classroom. If you signed up to receive breakfast bags, you will receive your last bag on Friday, April 12, 2024 intended to be used on Monday, April 22, 2024. This bag will have items which will be able to be stored for that duration of time.

To get this done with minimal impact on the learning day, there will be a staggered approach.

- As buses arrive at the school, those students who participate in the program will be allowed to get off the bus and report directly to the cafeteria.
- At 8:30, students who are dropped off and BED students who are participating in the program will report directly to the cafeteria. We ask that guardians who drop off their children and want them to have breakfast here, please plan to drop off closer to 8:30. We intend to complete this process by 8:45. That being said, any student who arrives and needs breakfast will have the opportunity to eat breakfast.

The cafeteria staff looks forward to seeing everyone in person in the morning for their breakfast!

Respectfully Submitted,

Kathy Davies

Cafeteria Director
