Gladiator Application

The following section is only applicable for returning counselors who are Juniors or Seniors. There are 6 required meetings leading up to camp, one a week for 6 weeks. They are mandatory, no exceptions. Times will be arranged based on the groups schedules.

A camper is struggling to engage in growth teams. They consistently try to get the group to just play games and are very distracting. **What tools would you give to another counselor so they could effectively handle it?**

What does leadership mean to you?

Think of someone in your life who has mentored you. **How has that relationship impacted you, and how can you apply it to mentoring others?**

By signing below, I acknowledge that being a Gladiator is a significant time commitment, and I am willing to work to making that happen.

Internship Application

This year we will select up to two seniors to participate as the camp Interns. You will assist in developing camp from the beginning, working along side the other staff and camp director. This position requires **5 hours a week** in addition to **any** other requirements as a counselor or a Gladiator. This is an incredible opportunity for resume building and professional development. As such, this is a job, and it is expected to be treated as one. The position would begin May 1.

Complete this application and the Gladiator application to apply.

Your task is to create a new game for 100 people to simultaneously participate in. **What would your process be to create the game?**

What would you do with \$500 to make camp better?

What areas do you hope to grow in through this opportunity?

By signing below you acknowledge that this is a significant time commitment, and will require some late nights and long days leading up to camp.
